PROFESSIONAL SUMMARY

Junior software developer. BSIT, Leyte Normal University, graduated 16 June 2026. Built a production insurance workflow system at Machica Firm with one co-intern; three staff were using it when I left (company owns the URL). Public Laravel, Node.js, and Python demos with live URLs and tests.

TECHNICAL SKILLS

Languages: PHP, JavaScript, Python | **Backend:** Laravel, Node.js, Express, Flask, REST APIs

Frontend: Blade, HTML, CSS | **Data:** MySQL, SQLite, Supabase

Automation / IT support: SMTP, SMS, Excel reporting, python-docx, Windows 10/11, desktop, network, printers | **Tools:** Git, GitHub

WORK EXPERIENCE

IT Intern (Software Development and Technical Support)

Machica Firm, Inc. | February 2026 - May 2026

- Built an insurance data and workflow system with one co-intern (Node.js REST APIs, authentication, Supabase). Leadership approved the deploy. Three staff were using it when I left (no public URL).
- Added operational automation on that system: Gmail SMTP, Semaphore SMS, Excel reporting, and document generation.
- Tested, deployed, and supported the live system over 486 hours, including Windows 10/11, printers, and network troubleshooting.

SELECTED PROJECTS

SlotBook

Laravel, PHP, MySQL | slotbook-production.up.railway.app | github.com/Brian-K05/SlotBook

- Built a booking calendar with unique time slots and an admin workflow to confirm, cancel, or mark paid (status flag only; no payment gateway). Dummy data. Feature tests in the repository.

DeskFlow

Node.js, Express, SQLite | deskflow-w1n5.onrender.com | github.com/Brian-K05/Deskflow

- Built a staff and client request desk with row-level visibility, a status workflow, and staff CSV export. Dummy logins. Tests cover the visibility rule.

PaperOut

Python, Flask, python-docx | web-production-97c62.up.railway.app | github.com/Brian-K05/PaperOut

- Built a Flask tool that turns a validated CSV into a ZIP of Word certificates plus an A4 proof of the first row. Dummy names only; not a live credential.

EDUCATION

Bachelor of Science in Information Technology (BSIT)

Leyte Normal University | 2022 - 16 June 2026

CERTIFICATIONS

- Internship Completion Certificate - Machica Firm, Inc. (486 hours); Competence in Practicum Award; Computer Systems Servicing NC II (TESDA)
- Hosted webinar - Hexagonal Architecture (19 Nov 2025; speaker was a Jetstar senior engineer); ASEAN AI Hackathon 2026 participant
