PROFESSIONAL SUMMARY

Junior software developer targeting Laravel, Node.js, and Python roles. Built a production insurance system during a 486-hour internship at Machica Firm that is still in daily use (company owns the live URL). Public demos: SlotBook, DeskFlow, and PaperOut. BSIT, Leyte Normal University, 2022–2026.

TECHNICAL SKILLS

Shipped: Laravel, PHP, MySQL, Blade, Node.js, Express, SQLite, JavaScript, Python, Flask, python-docx, REST APIs, Supabase, Git / GitHub

Automation and IT support: Email and SMS, document generation, Windows 10/11, desktop support, network troubleshooting, printer support

Also used (no public repo): React, Angular, Flutter, React Native, Kotlin

WORK EXPERIENCE

IT Intern (Software Development and Technical Support)

Machica Firm, Inc. | February 2026 — May 2026

- Designed and built the insurance data and workflow system leadership approved and deployed; still used in daily operations (no public URL).
- Built Node.js REST APIs, authentication, and the Supabase data model, plus Gmail SMTP, Semaphore SMS, Excel reporting, and document generation.
- Deployed, tested, and supported the live system over 486 hours, including Windows, printers, and network support.

Freelance Software Developer

Self-Employed | 2024 — Present

- Delivered a Laravel booking and payment system for an editing business on AWS Lightsail. Live URL and repository stay with the client.

SELECTED PROJECTS

SlotBook

Laravel, PHP, MySQL | slotbook-production.up.railway.app | github.com/Brian-K05/SlotBook

- Calendar booking with unique time slots; admin can confirm, cancel, or mark paid (flag only, no payment API). Dummy data. Feature tests in the repository.

DeskFlow

Node.js, Express, SQLite | deskflow-w1n5.onrender.com | github.com/Brian-K05/Deskflow

- Staff/client request desk with row-level visibility, status workflow, and staff CSV export. Dummy logins. Tests cover the visibility rule.

PaperOut

Python, Flask, python-docx | web-production-97c62.up.railway.app | github.com/Brian-K05/PaperOut

- CSV to a ZIP of Word certificates, with header validation and an A4 proof of the first row. Dummy names only; not a live credential.

EDUCATION

Bachelor of Science in Information Technology (BSIT)

Leyte Normal University | 2022 — 2026

CERTIFICATIONS AND ACHIEVEMENTS

- Internship Completion Certificate — Machica Firm, Inc. (486 hours)
- Competence in Practicum Award
- Computer Systems Servicing NC II (TESDA)
- Hosted webinar — Scalable Applications with Hexagonal Architecture (November 19, 2025). A Jetstar senior engineer gave the talk; I organized and hosted the session.
- ASEAN AI Hackathon 2026 — Certificate of Participation (team participant)
